For personal assistance with your professional needs, call toll-free: **800-374-2723** or email: **practice@apa.org**

apapracticecentral.org

The practitioner's online resource

- **Psychologist Locator** – A searchable online database that helps consumers seeking psychological services find psychologists in their area. Only practitioners who have paid the Practice Assessment are included in the free listings.
- News and information for practicing psychologists, including the monthly *PracticeUpdate* e-newsletter
- Practitioner-focused legislative and legal advocacy
- Continuing education and professional development
- Practice management, marketing and regulatory compliance

apa.org

Serving your clients, patients and the public

- **Psychology Help Center** – An online consumer resource at apa.org/helpcenter featuring articles and information about psychological issues affecting physical and emotional well-being
- **Centro de Apoyo de APA en Español** – Spanish-language version of the Psychology Help Center at apa.org/centrodeapoyo/index.aspx

phwa.org

Psychologically Healthy Workplace Program
