### WHAT IS OPA & WHO WILL ATTEND THE OPA CONFERENCE?

OPA is a not-for-profit statewide professional organization comprised of Oregon psychologists that advocates for psychologists on local, state and national issues affecting both the profession and the world we live in. Our Annual Conference is a time for the psychological professional community in Oregon to come together for continuing education and networking opportunities. Attendees will consist mostly of practicing psychologists, but will also include non psychologist associates, licensed social workers and counselors, and students primarily from Oregon and Washington. We typically have between 150-180 total attendees at our conferences.
