

## OPA Mentorship: Informed Consent

I understand that in a Mentor/Mentee relationship there are no protections for confidentiality or mandatory reporting. Mentoring is not supervision or psychotherapy. Psychotherapy or legal counsel is encouraged where privileged, confidential information is protected.

1. I understand that a Mentor/Mentee relationship is not supervision.
2. I understand that a Mentor/Mentee relationship is not intended to be a therapeutic relationship.
3. I understand that there is no privilege or confidentiality protections for the conversations I have with my Mentor.
4. I understand that mandatory reporting laws apply in this setting.
5. I understand that if I want to have a privileged conversation, I should seek out the services of a psychologist or attorney.
6. I have reviewed the "APA Task Force on Mentoring, 2006"  
(<http://www.apa.org/education/grad/mentoring.aspx>).
